College Board Opportunity Scholarships	Ongoing	The College Board Opportunity Scholarships program helps students stay on track with the college planning process while offering them chances for \$500 scholarships for each college planning action they complete. When students complete all six steps, they earn a chance at a \$40,000 scholarship. The more effort students put in, the more opportunities they have to earn! It doesn't require an essay or an application, and it doesn't have a minimum GPA or test score requirement. Scholarships can be used at 2- and 4-year colleges. Students whose families earn less than \$60,000 per year have double the chances to earn scholarships.	<b>APPLY: Online through activity completion</b> <a href="https://opportunity.collegeboard.org/">https://opportunity.collegeboard.org/</a>
