

CATAPULT YOUR TECH CAREER

Are you passionate about technology?

Do you like to build, create and innovate?

Would you like to get paid (yes, paid!) to develop the skills needed to launch your tech career?

Does the idea of networking with Indiana's top tech companies interest you?

If you answered yes to any of these questions, then...
Nextech Catapult is for you!

If you currently attend a high school in Marion County, Bloomington/Uplands Region or the Evansville area, you should apply! Nextech Catapult is a 5-week immersive computer science internship in the summer from June 3 - July 3, 2024. Also there are various activities and events throughout the school year and beyond.

Space is limited. Apply today!
