

FORM A: Turn in BEFORE you go on your Job Shadow

Orleans Jr./Sr. High School Job Shadow Request Form

Students who wish to job shadow must submit this form at least one school day prior to attending the job shadow experience. **For the experience to be considered an excused absence**, students must also submit Bucket #2 Graduation Pathways Work-Based Learning Experience pg 1 and pg 2 filled out and signed for the job shadowing experience--even if not using for Grad Pathways for graduation--after the job shadowing experience and turn these pages into the office. This form can be found in your Class of... Google Classroom under Coursework/Graduation/Bucket #2.

Only one experience needs to be filled out for your job shadowing experience to be excused; however, you may want to make a copy so you can keep the original and add to the form as you complete other job shadowing experiences so you can use the form for meeting the Grad Pathways Bucket #2 requirement once ALL experiences have been completed. Turning in the forms for one experience will not: 1) meet the requirement on its own and 2) only counts as meeting the requirements for attendance UNTIL all three have been completed and are turned in together. Job shadows **MUST** be completed during grades 9-12 to count towards Graduation Pathways requirements.

Note: It is the responsibility of the student to get this paper signed by all teachers, the principal and a parent prior to the visit date. The student recognizes that it is their responsibility to complete all make-up work as required by teachers within the allotted time given by the teacher.

Students may be eligible for the following number of job shadowing experiences for excused absences:

JH: 1 per year

9-10th grade: 1 per year

11-12th grade: 2 per year
