Grad Pathways

- **Box #1**
 - If you get a diploma, you meet this requirement. Put a pencil mark next to the diploma you believe you will earn at this time.
- **Box #2**
 - You will complete one of the three requirements. We will have different forms to fill out for whichever you are completing and a way for you to provide documentation on how you completed this requirement. **NEED COMPLETED** as soon as you have finished the activity (for most that means you should have it completed now!).
 - Options Service: Multi-Experience service, Focused service, Combo, **School service**
 - Options Work: **Job Shadow**, Internship, **Employment**
 - Options Project: School project, Community project
 - MOST seniors have completed this. If you have not, you will get an email today/tomorrow reminding you. Paperwork needs to be completed and turned in ASAP. Don't make Mrs. Jones have to track you down!!!!
- **Box #3**
 - Notice all the ways you can complete this box. We want to have you attempting to meet it several ways, until you meet the requirement. This is why we have you in a pathway, unless you have met the requirement already. ASVAB is no longer accepted **UNLESS** you took it prior to July 2023. Make sure you have completed this requirement **OR** have a plan on how you will complete it by May [i.e. finishing your pathway, dual credits, etc.].
