WHERE YOU DEFINE THE VIBE.

Live beyond convention at Collins Living-Learning Center, a student-led residential space that's anything but typical. Here, students call the shots in curating our own community—free to pursue our passions and make meaningful connections in a vibrant and tightly-knit society of learners, leaders, explorers, and dreamers—all ready to make a positive impact on the world through academics, leadership, sustainability, humanities, and the arts.

AT COLLINS, YOU CAN FIND YOURSELF, BE YOURSELF - AND BUILD A LIFE THAT'S DESIGNED TO THRIVE.

DELIGHTFULLY DIFFERENT.

Collins welcomes students from all departments, majors, and areas of study, yielding a wonderfully diverse community that's inclusive of all. Our student-led way of living values intellectual exploration, personal accountability, creative expression, and active leadership. No matter what you choose to pursue, academics are always a top priority for Collinsites.

We incorporate learning into our unique way of life and find fulfillment in purpose-driven action, from teaching our Q-courses and organizing events to volunteering in the community and getting involved in our many organizations:
