

# Realistic

*Doers*

Practical, Mechanical, Active

Realistic "doers" like to work with "things." They tend to adopt a concrete approach to problem solving and can often be assertive, competitive and interested in activities that require motor coordination, skill and strength.

## I like to:

- Grow plants
- Be physically active
- Build and repair things
- Be outdoors
- Work with animals
- Operate tools and machines

## Possible Careers:

Landscaper      Civil Engineer  
Firefighter      Conservation Scientist  
Pilot              Veterinary Technician

# Artistic

*Creators*

Imaginative, Expressive, Creative

Artistic "creators" think "outside the box" and tend to not just accept and follow rules. Artistic types often have the natural ability to see things from different perspectives and to come up with new, creative and innovative, ideas.

## I like to:

- Sketch, draw, paint
- Sing, act, dance
- Play a musical instrument
- Design fashion or interiors
- Write stories, poetry, music
- Attend concerts or plays

## Possible Careers:

Chef                      Graphic Designer  
Fashion Designer      Musician  
Photographer          Technical Writer

# Social

*Helpers*

Helpful, Understanding, Patient

Social "helpers" are the type that like working with other people the most. They tend to be welcoming, sociable, and find joy in serving and helping others.

## I like to:

- Lead discussions
- Do volunteer work
- Help people with problems
- Teach or train
- Take care of others
- Heal others
- Advocate for social justice

## Possible Careers:

Teacher	Counselor
Childcare Worker	Therapist
Dental Hygienist	Social Worker

# Enterprising

*Persuaders*

Ambitious, Talkative, Assertive

Enterprising "persuaders" often have the natural ability to lead others. Usually these types are very persuasive with the natural ability to sell things or convince others of their ideas.

## I like to:

- Debate ideas
- Lead groups
- Persuade people
- Make decisions
- Sell things
- Initiate projects or start businesses

## Possible Careers:

- |                  |                 |
|------------------|-----------------|
| Business Manager | Curator         |
| Fundraiser       | Project Manager |
| Movie Director   | Chief Executive |

# Conventional

## Organizers

Orderly, Methodical, Efficient

Conventional "organizers" tend to like structure, rules, and order. They are often very organized and methodical, and like to get things done on time to a very high standard.

### I like to:

- Find patterns in data
- Organize collections
- Keep accurate records
- Follow a set plan
- Create structures and systems
- Be responsible for details

### Possible Careers:

- Logistics Analyst
- Accountant
- Medical Assistant
- Web Administrator
- Quality Controller
- Paralegal
